Welcome Delegates

I would like to thank all of you for coming to this meeting I know you all would rather be in a bar some where discussing more important things like the price of bullets and powder. I believe this is a very important meeting as we will be electing a new President to take us forward into the future. But before we do we have a few other things we need to discuss. I have already sent this agenda out to all Delegates

We need to arrange a bank account this will be the first job for the new Treasurer. Countries have been paying at the delegates meeting but those countries who were not present have been unable to send payments. Hopefully with a bank account this will no longer be a problem

Vice Presidents Report

Need new presidents

European Benchrest web site

Delegates It has been a Pleasure to be the your Vice President for the last year. Those of you who attend the last delegates meet will remember I agreed to be VP as I was promised I would have nothing to do, well that didn't work out as I thought it would. Also Jean-Louis Espinet also accepted the office as Treasurer and Secretary we need more people to come forward to help drive the EBSF forward, Benchrest in Europe is very strong as it is world wide we saw in South Africa Australia win the world Championships and Italy win the Bronze medal. It must soon be Europe's time to win the gold WBC 11 in France maybe!

We need a strong Federation and we need to work together I know some countries have had their problems but in the end we all want to shoot Benchrest so lets all work together and forget the politics, leave that to the politicians and lets just enjoy shooting. If in the future shooting comes under attack from governments we can show we are a strong well organised Federation and can stand up for our rights to be able to shoot through this and other organisations.

The EBSF web site is up and running we need people to use it more. Any suggestions on how to improve it? We are hopping to publish the results daily but be patient with us it will be the first time we have tried it.

Lastly I would like to thank Alfred and his team for all the work they have put into this Championship and I wish you all the best of luck and good shooting.
